The Lifecycle Management of ETDs Project
USsetdA 2013 Pre-Conference Workshop
Wednesday, July 24th 2013
9:00am-12:00pm PT

Workshop Instructor
Matt Schultz, MetaArchive Cooperative
matt.schultz@metaarchive.org

Workshop Preparation
Prior to the workshop please take 20-30 minutes to skim the provided draft Guidance Documents for ETD Lifecycle Management. You are not required or expected to read them in full. Notepaper and pens will be provided, but you may want to also bring something of your own for note taking.

Workshop Agenda

9:00am-9:15am  Welcome, Housekeeping & Pre-Workshop Survey

9:15am-10:00am ETD Lifecycle Management – Interactive Overview

Matt will provide an overview of lifecycle management as it applies to ETD program planning & implementation. Attendees will provide questions and comments from their experience working with ETDs and ETD programs.

10:00am-10:45am ETD Guidance Documents – Overview & Usage

In this segment Matt will review the draft Guidance Documents for ETD Lifecycle Management and discuss how attendees might use them in their ETD programs. Workshop attendees will be given the opportunity to participate in a formal review process of these documents—contributing directly to the content.

10:45am-11:00am  Break

11:00am-11:45am ETD Lifecycle Management Tools – Overview & Demo

In this final segment Matt will review and demonstrate the modular curation tools developed in the project that can enhance ETD management across the lifecycle.

11:45am-12:00pm Wrap-Up & Post-Workshop Survey
